3 Addition Strategies

Adding by place (expanded notation)

$$1,523 = 1,000 + 500 + 20 + 3$$
$$+ 2,392 = 2,000 + 300 + 90 + 2$$
$$3,000 + 900 + 10 + 5$$

(100)

Algorithm

$$1,523$$
$$+ \ 2,392$$
$$3,915$$

(1)

Decomposing one number

$$1,523 + 2,392 =$$
$$1,523 + 2,000 = 3,523$$
$$3,523 + 300 = 3,823$$
$$3,823 + 90 = 3,913$$
$$3,913 + 2 = 3,915$$
