

The time my mom lost her wedding ring

Small story

setting

I was at the park with my friend. We were playing in the sand. And my mom was

characters

just taking her glove off, when suddenly she screamed her wedding ring was off

problem

her hand! She said it must be in the sand. Me and my friend started digging.

Action

dialogue

But we couldn't find it, and then my mom said that we should leave the park because it was making her

solution

sad. So we went home, and then my dad bought my mom a new one.
